

The Wigglesworth

Christmas 2006

Another year! Here are the highlights!

AmandaEve's dad was diagnosed with and treated for cancer, and is now in remission. She was blessed to visit him during January at the beginning of his treatments, and then again in July with Kevin on our summer roadtrip.

Our summer trip this year was through Minnedosa, MB to stay with AE's mom; onto Racine, WI to stay with AE's aunt and family; onto Chicago, IL to stay with her grandparents; returning to Winnipeg, MB to stay with her dad, and home to Calgary.

Our missions plans continued as we began Russian language learning. This has been slow, and is on a bit of a break, but we hope to pick up the pace again.

Work has been consistent for Kevin as he continues to work at Point. This year he celebrated his second anniversary working there. AE worked at Stage West sewing costumes for a few shows, as well as replacement crew backstage. In September, she began co-teaching the Biblical Greek class at Rocky Mountain College and has been tutoring in this subject as well.

School continues to be part of our lives. Kevin began level 2 of MicroStation, a computer aided drafting software. AE continues to work on her master's project and is in a people research stage (rather than book research).

Church continues to be a big part of our lives. Kevin is an active reader. He has also started leading music. AE has moved into the role of main choir director and spends a lot of time working on music texts for services and revising existing books, in addition to leading practices and services. We enjoy our church family and are involved in many other small ways too as needed and as we are able.

Our Christmas plans this year are to remain in Calgary. AE's dad will join us for two weeks, and we will all drive up to Ferintosh, AB to stay with Kevin's dad and stepmom for a few days. We are looking forward to the chance to spend time with our dads in a very relaxing atmosphere!

Christ is born! Glorify Him!

Kevin and AmandaEve Wigglesworth
